Faculty Biographies 2019

Richard C. Ausness, JD, LLM, is a University Research Professor and the Sites & Harbison Professor of Law in the College of Law, University of Kentucky, Lexington. He has published more than 60 articles on various legal subjects. His current teaching interests include property, trusts and estates and products liability.

Paul J. Christo, MD, MBA, is an Associate Professor in the Division of Pain Medicine at Johns Hopkins Medicine. He lectures internationally, serves on editorial boards, teaches, co-edited three textbooks on pain, and has published over 100 articles. He’s the author of Aches and Gains and hosts Aches and Gains, an award-winning, national radio talk show on overcoming pain that airs weekly on SIRIUS XM Radio.

Rebecca L. Haffajee, JD, PhD, MPH, is Assistant Professor of Health Management and Policy at the University of Michigan School of Public Health in Ann Arbor. Dr. Haffajee’s research combines legal analyses with empirical investigations of the relationships between law and health. She focuses on behavioral health and pharmaceutical policy, evaluating policies such as substance abuse parity and laws intended to curb opioid addiction.

Stefan Kertesz, MD, MSc, is Professor in the Division of Preventive Medicine, University of Alabama at Birmingham School of Medicine. His research interests include access to quality addiction and medical care for homeless and other underserved populations, development of health professionals to address unmet health needs among disadvantaged populations, natural history and consequences of substance misuse in adults, and drug policy and opioids.

Richard S. Larson, MD, PhD, is the Executive Vice Chancellor and Vice Chancellor for Research, University of New Mexico Health Sciences Center, Albuquerque. Dr. Larson oversees a broad array of programs in research, education and clinical care. He was a participant of the 2016 White House-sponsored Medicine Responds to Addiction symposium and has authored a number of opinion pieces on federal limits to opioid prescribing.

Robert Malcolm, MD, is Professor of Psychiatry and Behavioral Sciences in the Division of Addiction Sciences, and is Director of Bio-Behavioral Medicine in the Institute of Psychiatry, as well as Associate Dean for Continuing Medical Education, MUSC. His research has focused on medication development for addiction treatment and the pharmacologic management of illicit drug withdrawal syndromes. He has authored over 200 publications.

Jacob Sullum, is a senior editor at Reason magazine and a syndicated newspaper columnist. His weekly column is carried by newspapers across the U.S., including the New York Post and the Chicago Sun-Times. His work on drug policy has appeared in National Review, Forbes, The New York Times, and many other publications.

Arthur Robin Williams, MD, MA (Bioethics), is Assistant Professor of Clinical Psychiatry at Columbia University, and is Research Scientist in the New York State Psychiatric Institute. He is NIH-funded to develop a quality-of-care framework to respond to the opioid epidemic, and to investigate changes in controlled substance use among medical marijuana participants and related risk of overdose.
Thomas Antley Pitts, II, MD

(1893-1991) served as a member of the Board of Trustees of the Medical University of South Carolina for thirty-six years and served as its chairman for twenty-five of those years. He left a substantial bequest to the Medical University to endow “a series of lectures on medical ethics”. The series has become known as the Thomas A. Pitts Memorial Lectureship in Medical Ethics, and has been held annually since 1993.

Continuing Education Credit

The Office of Continuing Medical Education (CME) charges $20.00 for a certificate of attendance. However, credit earned by MUSC personnel will be loaded into CME Tracker and you may view and print an unofficial transcript at no charge. See musc.edu/cme for details.

Physicians: The Medical University of South Carolina designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Health Professionals: The Medical University of South Carolina College of Medicine awards up to 6.75 CEUs or 6.75 contact hours (1 contact hour equals 0.1 CEU) to each non-physician participant who successfully completes this educational activity. The CEU (Continuing Education Unit) is a nationally recognized unit of measure for continuing education and training activities that meet specific educational planning requirements. The Medical University of South Carolina maintains a permanent record of participants who have been awarded CEUs.

Accreditation Statement

The Medical University of South Carolina is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Objectives:

At the conclusion of this activity, participants will be able to:

• Describe the use of opioids in the treatment of chronic pain
• Discuss the advantages and disadvantages of limiting opioid prescriptions to three days
• Explain the role of litigation as a means to combat the opioid crisis
• Discuss whether marijuana is a gateway drug for opioid use

Disclosure Statement

In accordance with the ACCME Essentials and Standards, anyone involved in planning or presenting this educational activity will be required to disclose any relevant financial relationships with commercial interests in the health care industry. This information will be made available to participants at the beginning of the activity. Speakers who incorporate information about off-label or investigational use of drugs or devices will be asked to disclose that information at the beginning of their presentation.

Americans with Disabilities Act

It is the policy of The Medical University of South Carolina not to discriminate against any person on the basis of disabilities. If you feel you need services or the auxiliary aids mentioned in this act in order to fully participate in this continuing medical education activity, please call the Institute of Human Values in Health Care at 843-876-4977 by March 8th, 2018, or attach a note to your registration.

Meeting Location, Charleston

The city of Charleston is steeped in history, tradition, and timeless charm. It is a city of romance and refinement, 300 years in the making. Enjoy the splendor of gardens framing the Battery, the charm of the cobblestone streets and alleys, and the grandeur of the historic churches. For 6 years Charleston has been ranked the #1 tourist attraction and small city in the U.S. by Conde Nast Traveler.

Program Venue

All sessions take place at:

Thurmond-Gazes Building
30 Courtenay Drive
1st Floor Conference Room 125
Charleston, SC 29425

Attendees may park in the Jonathan Lucas Garage: 97 Jonathan Lucas Street, near the corner of President and Doughty Streets, directly across from the Clinical Science Building. Entrance into the garage is on Doughty Street, immediately behind the College of Nursing Building. (Arrow at entrance)
