Program Overview

OVERVIEW
To conduct a cancer disparities-focused Continuing Medical Education (CME) Workshop for health professionals to improve the quality of cancer care in South Carolina and to bridge the gap in health care.

COURSE GOAL
At the conclusion of this workshop, you should be able to identify and/or implement new cancer treatments to decrease cancer disparities rates in South Carolina pertaining to cultural competence, colorectal cancer, and HPV. This workshop is designated as a Live Activity; therefore, the format will include lectures and question-and-answer segments.

REGISTRATION FEES
This course is free to health care professionals, and continental breakfast, lunch, and breaks are included.

ONLINE REGISTRATION
All participants must register online. All participants will have to create an account with Lowcountry AHEC online when registering. To register online, participants will have to visit, www.lcahec.com.

• Go to “Continuing Education,” in the blue banner.
• Click on “Calendar and Registration (Live Programs).
• Click on “Program.” On the bottom in the middle of page, click “Next.” Fill out the Registration page, check the box at the bottom to accept policies, and then click “Register.”
