MUSC Honor Code Affirmation

The Honor Code is the foundation and bulwark of academic integrity at the Medical University of South Carolina ("MUSC"). A copy of the full MUSC Honor Code can be found at http://academicdepartments.musc.edu/esl/bulletin/Honor-Code/index.html.

Students enter MUSC to become part of a noble profession. An important part of that development is a commitment to the integrity and ethical standards of that profession.

The central purpose of the Honor Code is to sustain and protect an environment of mutual respect and trust in which students can enjoy the freedom to develop their intellectual and personal potential. The Honor Code depends upon the willingness of every individual to adhere to the basic principles of academic integrity and agree never to behave unfairly or dishonestly in academic work, or tolerate those who do. Only through a mutual commitment to maintaining this high standard can students at MUSC enjoy the benefits of a community that is marked by honesty and integrity.

The Honor Code both promotes and requires an atmosphere of trust in which students tell the truth, live honestly, advance on individual merit, and demonstrate deep respect for others in the academic, clinical, and research communities. The Honor Code is administered by and for the members of the MUSC community, and it depends on cooperation and support from each community member.

I, the undersigned, signify that I have read the MUSC Honor Code and hereby pledge my support of the principles set forth therein. I acknowledge that I am bound by the MUSC Honor Code. I understand what is expected of me as a student at MUSC and realize a claim of ignorance of the Honor Code is not a mitigating factor.
