

Please join us in celebrating our James B. Edwards College of Dental Medicine Class of 2021!

Each member of the Class of 2021 not only surpassed all of our high expectations but also taught us some very valuable lessons. This class will most certainly be missed, but we are so very excited to see what they accomplish out in the world. Please continue reading to find out who our CDM 2021 Award Recipients are!

Thank you to each student within the Class of 2021 for the tremendous hard work and dedication you have put into the field of dentistry over the past four years. You each will hold a special place within the James B. Edwards College of Dental Medicine as a fellow alum. We know each of you will continue on to accomplish incredible tasks, pose and solve the fields research questions, and serve as a proud member of your community. Always look forward to the future, but never forget that you will always be part of the James B. Edwards College of Dental Medicine Family.

Congratulations, Class of 2021!
