PROGRAM OVERVIEW

The management of patients with cardiac disease continues to evolve. The goal of this program is to provide the most current evidence-based diagnostic and treatment strategies for your patients. Topics include but are not limited to screening and management of HTN in special patient populations, lipid management for CV risk reduction, strategies for risk reduction in PAD, treatment of pulmonary embolism and drug, controversies in treatment of CAD and device management options for HFpEF. The program structure will focus on case-based presentations including breakfast cases, panel discussions, presentations and use of our audience response system to provide opportunities for all participants to interact with our conference faculty.

TARGET AUDIENCE & SCOPE OF PRACTICE

The four day program in clinical cardiology is designed for the cardiologist, primary care physician, internist, practicing cardiovascular specialist, cardiovascular nurse and physician assistant.

LEARNING OBJECTIVES

Upon completion of this Live Activity, participants should be able to:
• Choose new treatment options in managing lipids for CV risk reduction
• Effectively screen and manage hypertension in special patient populations
• Discuss current controversies in the treatment of CAD
• Effectively use strategies for risk reduction in PAD
• Discuss new drug and device options for HFpEF
• Develop strategies to determine when to refer your advanced heart failure patients for LVAD and transplant

The final list of conference objectives will be available closer to the conference date.

ACCREDITATION STATEMENT

The Medical University of South Carolina is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

DISCLOSURE STATEMENT

The Medical University of South Carolina Office of CME requires anyone involved in planning or presenting CME activities to disclose any relevant financial relationships with commercial interests. Established policies are in place to identify and resolve all conflicts of interest prior to prior to this educational activity. Detailed disclosure will be made in the instructional materials.

CREDIT DESIGNATION STATEMENT

PHYSICIAN CREDIT

The Medical University of South Carolina designates this live activity for a maximum of 16.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP: Application for Continuing Medical Education credits has been filed with the American Academy of Family Physicians. Determination of credits is pending.

OTHER CREDITS

American Academy of Nurse Practitioners National Certification Program accepts AMA PRA Category 1 Credit(s)™ from organizations accredited by ACCME.

American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit(s)™ from organizations accredited by ACCME. PAs may receive a maximum of 16.25 AAPA Category 1 Credits for completing this activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16.25 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

AMERICANS WITH DISABILITIES ACT

It is the policy of the Medical University of South Carolina not to discriminate against any person on the basis of disabilities. If you feel you need services or the auxiliary aids mentioned in this act in order to fully participate in this continuing medical education activity, please call the Office of CME at 843-876-1925 or attach a note to your registration form by May 6, 2019.
