

**MUSC Foundation  
Distinguished Faculty Service Award  
Nomination Procedure**

The Vice President for Academic Affairs and Provost is pleased to invite nominations for the MUSC Foundation Distinguished Faculty Service Award. Nominations from faculty, staff, and students will be accepted.

This annual award was enacted by our University Board of Trustees to recognize and honor faculty members of the Medical University of South Carolina who, over a substantial portion of their careers, have provided exceptional and sustained service to MUSC and the citizens of South Carolina. Up to three awards may be made each year, and each honoree will receive a financial contribution from the MUSC Foundation.

In order to nominate someone, please provide in a pdf attachment to an email: written justification to include a narrative of no more than two typed single-spaced pages directly addressing the contributions in teaching, research, health care, and/or public service. ***Up to four additional letters of endorsement are encouraged in order to demonstrate the breadth of the nominee's contributions.*** A current copy of the nominee's curriculum vitae should be enclosed.

Please carefully consider who among our MUSC family is most deserving of the Distinguished Faculty Service Award. We look forward to receiving your nominations. **The deadline for receipt of all nominations is March 15, 2018.** Nominations should be submitted to the attention of:
