

Changing What's Possible

## 2023-2024 Summer State Scholarship Programs Application for LIFE/Palmetto Fellows Scholarship

**Priority Deadline: April 15<sup>th</sup>**

**Final Deadline: June 1<sup>st</sup>**

I wish to participate in the Summer State Program for undergraduate, South Carolina residents only.

I confirm that I am registered in 12 credit hours (required courses towards graduation requirements) and must maintain full-time enrollment to remain eligible. I acknowledge that Summer State Scholarship Eligibility may not be confirmed until after Spring grades are posted and any Summer bills due prior to eligibility determination are my responsibility to pay. I understand that I will be using one (1) of my eight (8) total semesters of potential eligibility if I participate. I acknowledge that participation is voluntary and that my participation does not guarantee early graduation. If I change my class schedule, drop a class(es), fail to attend class(es), my scholarship is subject to reduction or total cancellation which may affect my tuition balance.
