Book Club Review

What students are saying?

I loved the questions that were asked at book club. It allowed me to think about my own financial position as well as hear others perspective.
-CGS Student

I liked discussing about money and hearing everyone's opinion. It felt like a very safe place where everyone could talk about their finances without fear of being judged.
-COP Student

DECEMBER 2024

Can't Make it In-Person? Join us virtually!

Clinicals and away rotations can create a challenge to join OSFL at our various activities. Have no fear! We got you covered!

We have a FREE Financial Literacy course available to all currently enrolled students on Brightspace. The course takes you through the most requested topics. Challenge yourself to complete 1 module per week and join us in the spring for a 3 part discussion series.
