

Abby Swanson Kazley, PhD
 Professor
 Medical University of South Carolina
 Department of Healthcare Leadership and Management
 College of Health Professions swansoj@musc.edu
 804-615-4246

Education

Virginia Commonwealth University, Richmond, VA. 2003-2006.

Ph.D. in Health Services Organization and Research.

Dissertation title: “Electronic Medical Records in Acute Care Hospitals: Correlates, Efficiency and Quality.” Dr. Yasar Ozcan, Chair

University of Virginia, Charlottesville, VA. 1996-2001.

Master of Teaching with dual certification in general and special education, 1999-2001.

Bachelor of Arts with Sociology Major, 1996-2001.

Employment

Program Director, Master of Science in Health Informatics, (October 2016-present)

Professor (July 1, 2016-present)

Program Director, MHA Program (July 1, 2012 to February 14, 2014)

Associate Professor (July 1, 2011 to June 30, 2016)

Assistant Professor (July 1, 2006 to June 30, 2011)

Health Administration and Policy/Health Care Leadership and Management

College of Health Professions

Medical University of South Carolina

Charleston, SC

Adjunct Faculty (August 1, 2005-December 31, 2005)

Health Administration and Policy

Virginia Commonwealth University

Richmond, VA

Research Assistant (January 2004-March 2006)

Health Administration and Policy

Virginia Commonwealth University

Richmond, VA

Public Education Coordinator (June 2001-December 2003)

Professional Affiliations

South Carolina ACHE, Executive Board Member July 2012-January 2015

National Council for Administrative Fellowships, Member March 2014-present

Center for Health Economics and Policy Studies, MUSC, August 2007-2009

AcademyHealth, Member, June 2004-present

INFORMs, Member, September 2006-present

Association of University Programs in Health Administration, Member March 2007-present

Academy of Management Member, June 2012-present

The Center for the Advancement of Research Methods and Analysis, Scholar, January 2004-June 2004. Member, June 2004- present

Public Relations Society of America, June 2001-December 2003

The Virginia Transplant Council, June 2001-December 2003.

Honors and Awards

Valerie West Educational Technology Grant Recipient, 2014-2015

Nomination for HCUP Article of the Year 2015

MUSC College of Health Professions Teacher of the Year Nomination 2011

MUSC College of Health Professions Teacher of the Year Nomination 2010

First Place Poster, AUPHA Annual Meeting 2010

MUSC College of Health Professions Teacher of the Year Nomination 2009

MUSC Foundation for Teaching Excellence Developing Teacher of the Year 2009-2010

MUSC College of Health Professions Developing Scholar of the Year 2008-2009

Who's Who in America, 2009, 2010

Who's Who of American Graduate Students, 2003-2004

Department of Health Administration A.D. Williams Scholarship Award Recipient,
January 2003, June 2003, September 2003, January 2004

Dale Carnegie Course Human Relations Award, March 2002

Dean's List, University of Virginia, 1998-2001

Research Interests

Health information technology (HIT), Telemedicine, Stroke Care, Efficiency, Health Care Organizations, Organizational Theory, Health Literacy, Transplant and Quality Performance

Teaching Interests

Health care management, health care strategic management, medical terminology, interprofessional collaboration

Funded Research

1R21DC014031-01 (Simpson, A., PI) [06/01/14-05/31/16]

NIH/NIDCD

Age-related Hearing Loss: Health Services Utilization and Outcomes

This project uses medical care administrative insurance billing data from older adults to compare accepted medical care quality measures between propensity-score matched patients with and without hearing loss.

Role: Co-Investigator

Time Commitment: 10%

DOD SE VIEW

Adams, Robert (PI)

07/01/10 – 06/30/15

Expanding the existing REACH Telemedicine network and including Community Health Centers (CHC's) will increase the area of specialty medical coverage to bridge this digital divide and the resulting healthcare chasm to improve health and reduce disparities.

Role: Co-Investigator Time Commitment: 30%

NIH NHLBI Post-STOP

Adams, Robert (PI)

01/01/10-09/01/14

The major goal of this project is to follow up on pediatric sickle cell patients who are at risk for stroke. The project will examine the epidemiological, biosocial, and organizational characteristics that influence care for this population.

Role: Co-Investigator Time Commitment: 10%

NIH NIDDK Patient Navigators

Baliga, Prabhakar (PI)

07/01/09-07/01/11

The major goal of this project is to implement and evaluate a patient navigator program in communities to address and reduce the health disparities seen in the African American

end stage renal disease patient population. Specifically, this project seeks to examine and change the disparities in kidney transplantation for this minority population.

Role: Co-Investigator Time Commitment: 5-15%

Abbott Laboratories. Simpson (PI) 08/01/08 – 03/31/09
HEOR Landscape for Alzheimer's Disease

The major goal of the project is to conduct a comprehensive summary of the scientific literature on the epidemiology of Alzheimer's Disease, and the cost and consequences its treatments have on patients, payers, and on individuals who provide care for these patients.

Role: Co-Investigator Time Commitment: 15%

CTSA Grant Simpson, Kit (PI) 7/1/07-4/1/08
Examination of Stroke Treatment in Rural Areas Using Telemedicine

Role: Co-Investigator Time Commitment: 15%

Virginia Department of Health Mick, Stephen (PI) 3/05-3/06

An examination and projection of physician supply and demand

Role: Research Assistant Time Commitment: 50%
