Curriculum Vitae

Academic Preparation

University of Minnesota, Minneapolis MN: Doctor in Nursing Practice, 2008.
Project: Environmental Analysis to Determine the Feasibility of a Preoperative Anesthesia Clinic

University of Minnesota, Minneapolis MN: Masters of Science, 1999. Major: Nursing
Thesis: Efficacy of a priming dose technique with cisatracurium

Veteran's Affairs Medical Center School of Nurse Anesthesia, Minneapolis MN:
Certificate in Nurse Anesthesia, 1998

University of Minnesota, Minneapolis MN: Bachelors of Science in Nursing, 1990

Professional Employment

Employer	Location	Position	Dates
Medical Univ. of S.C. Anesthesia for Nurses	Charleston SC	Division Director	8/2012-Present
Medical Univ. of S.C. Anesthesia for Nurses	Charleston SC	Assistant Program Director	8/2010-8/2-12
Univ. of MN Nurse Anesthesia Area of Study	Minneapolis MN	Clinical Director	2/2004-6/2010
Veterans Affairs Medical Center	Minneapolis MN	Staff CRNA	5/2000-4/2012
Fairview University Medical Center	Minneapolis MN	Staff CRNA	8/1998-5/2000

Licensure

Minnesota Registered Nurse R 1180440
South Carolina Advanced Practice Nurse 4299

Honors, Awards, Honorary Societies

2018- Helen Arndt Award, South Carolina Association of Nurse Anesthetists (SCANA), awarded to the leader that exemplifies dedication to the profession of nurse anesthesia through commitment to the goals of the S.C.A.N.A. and support to the ongoing development of the profession and the promotion of nurse anesthesia in South Carolina.

2018 – Excellence in Service Award, Medical University of South Carolina College of Health Professions.

2017- Inducted into Alpha Eta Health Professionals Honor Society

2016– Promotion from Assistant to Associate Professor

2014 - Didactic Instructor of the Year Award. Anesthesia for Nurses Class of 2014

2013 –Teacher of the Year, Medical University of South Carolina College of Health Professions.

2013 – Didactic Instructor of the Year. Anesthesia for Nurses Class of 2013

2001- Clinical Instructor of the Year Award, Minneapolis Veteran’s Affairs School of Nurse Anesthesia

1998- Inducted into Sigma Theta Tau Nursing Honor Society

1990- Graduated with distinction from the University of Minnesota

Grants/External Funding

Health Resources and Service Administration (HRSA) Nurse Anesthesia Traineeship Grant, FY2020-2021. \$49,779

Health Resources and Service Administration (HRSA) Nurse Anesthesia Traineeship Grant, FY2019-2020. \$35,681

Health Resources and Service Administration (HRSA) Nurse Anesthesia Traineeship Grant, FY2018-2019. \$64,178

Health Resources and Service Administration (HRSA) Nurse Anesthesia Traineeship Grant, FY 2017-2018. \$40,671

Health Resources and Service Administration (HRSA) Nurse Anesthesia Traineeship Grant, FY 2016-2017. \$38,050

Health Resources and Service Administration (HRSA) Nurse Anesthesia Traineeship Grant, FY 2015-2016. \$41,211

Health Resources and Service Administration (HRSA) Nurse Anesthesia Traineeship Grant, FY 2014-2015. \$42, 531.00

Health Resources and Service Administration (HRSA) Nurse Anesthesia Traineeship Grant, FY 2013-2014. \$38,247.00

Invited Presentations

Presentation to the Wisconsin Association of Nurse Anesthetists, "A Review of Antiarrhythmic Therapy" Green Bay WI February 2020

Presentation to the Wisconsin Association of Nurse Anesthetists, "AANA Update: The Value of Membership" Green Bay WI February 2020

Presentation to the Kentucky Association of Nurse Anesthetists, "Uppers and Downers of Cardiac Pharmacology" Covington, KY February 2020

Presentation to the Kentucky Association of Nurse Anesthetists, "AANA Update: The Value of Membership" Covington, KY February 2020

Presentation to the Indiana Association of Nurse Anesthetists, "Fluid Responsiveness: Cultivate your Curves" Indianapolis IN February 2020

Presentation to the Indiana Association of Nurse Anesthetists, "AANA Update: The Value of Membership" Indianapolis IN February 2020

Presentation to the Indiana Association of Nurse Anesthetists, "Perioperative Management of Congestive Heart Failure" Indianapolis IN February 2020

Presentation to the CRNA SkiColorado Meeting, "Uppers and Downers of Cardiac Pharmacology" Copper Mountain CO January 2020

Presentation to the CRNA SkiColorado Meeting, "A Review of Antiarrhythmic Therapy"
Copper Mountain CO January 2020

Presentation to the CRNA SkiColorado Meeting, "Cardiac Anatomy and Physiology: It is all
about Pipes and Pumps" Copper Mountain CO January 2020

Presentation to the CRNA SkiColorado Meeting, "Evidence-based Preoperative Cardiac
Planning" Copper Mountain CO January 2020

Presentation to the CRNA SkiColorado Meeting, "Perioperative Management of Congestive
Heart Failure" Copper Mountain CO January 2020

Presentation to the CRNA SkiColorado Meeting, "Perioperative Management of the Patient
with Hepatobiliary Disease " Copper Mountain CO January 2020

Presentation to the CRNA SkiColorado Meeting, "AANA Update: The Value of Membership"
Copper Mountain CO January 2020

Presentation to the Minnesota Association of Nurse Anesthetists, "AANA Update" Brainard
MN October 2019

Presentation to the Minnesota Association of Nurse Anesthetists, "A Leadership Journey"
Brainard MN October 2019

Presentation to the Georgia Association of Nurse Anesthetists, "AANA Update" Atlanta GA
October 2019

Presentation to the Georgia Association of Nurse Anesthetists, "Healthcare Policy" Atlanta
GA October 2019

Presentation to the Georgia Association of Nurse Anesthetists, "Preoperative Pulmonary
Assessment" Atlanta GA October 2019

Presentation to the Virginia Association of Nurse Anesthetists, "AANA Update" Norfolk VA
September 2019

Presentation to the Virginia Association of Nurse Anesthetists, "Anesthetic Management of
Implanted Devices" Norfolk VA September 2019

Presentation to the Kentucky Association of Nurse Anesthetists, "AANA Update" Lexington,
KY September 2019

Presentation to the Kentucky Association of Nurse Anesthetists, "From Head to Toe:
Evidence-based Preoperative Assessment, Lexington, KY September 2019

Presentation to the Association of Veterans Affairs Nurse Anesthetists, "Show Me the
Evidence!" New Orleans LA May 2019

Presentation to the Association of Veterans Affairs Nurse Anesthetists, "Uppers and

Downers of Cardiac Pharmacology”, New Orleans LA May 2019

Presentation to the South Dakota Association of Nurse Anesthetists, “Preoperative Cardiac Planning” Deadwood SD May 2019

Presentation to the South Dakota Association of Nurse Anesthetists, “Fluid Responsiveness: Cultivate your Curves” Deadwood SD May 2019

Presentation to the South Dakota Association of Nurse Anesthetists, “A Review of Antiarrhythmic Therapy” Deadwood SD May 2019

Presentation to the South Dakota Association of Nurse Anesthetists, “Uppers and Downers of Cardiac Pharmacology” Deadwood SD May 2019

Presentation to the South Dakota Association of Nurse Anesthetists, “Cardiac Physiology and Pharmacology: It is all about Pipes and Pumps” Deadwood SD May 2019

Presentation to the Alabama Association of Nurse Anesthetists, “Healthcare Policy and Patient Advocacy” Destin FL April 2019

Presentation to the Alabama Association of Nurse Anesthetists, “Uppers and Downers of Cardiac Pharmacology”, Destin FL April 2019

Presentation to the North Dakota Association of Nurse Anesthetists, “A Review of Antiarrhythmic Therapy” Fargo ND April 2019

Presentation to the North Dakota Association of Nurse Anesthetists, “Preoperative Cardiac Planning”, Fargo ND April 2019

Presentation to the North Dakota Association of Nurse Anesthetists, “Enhanced Recovery After Surgery”, Fargo ND April 2019

Presentation to the North Dakota Association of Nurse Anesthetists, “Preoperative Pulmonary Assessment”, Fargo ND April 2019

Presentation to the West Virginia Association of Nurse Anesthetists, “Fluid Responsiveness: Cultivate your Curves”, Greenbrier WV April 2019

Presentation to the West Virginia Association of Nurse Anesthetists “Anesthetic Management of Aortic and Subaortic Stenosis” Greenbrier WV April 2019

Presentation to the West Virginia Association of Nurse Anesthetists “Uppers and Downers of Cardiac Pharmacology Greenbrier WV April 2019

Presentation to the Kentucky Association of Nurse Anesthetists “Anesthetic Management of Aortic and Subaortic Stenosis” Owensboro KY March 2019

Presentation to the Kentucky Association of Nurse Anesthetists “AANA Update” Owensboro KY March 2019

Presentation at the Kentucky Association of Nurse Anesthetists, "Fluid Responsiveness: Cultivate your Curves", Owensboro KY March 2019

Presentation to the North Carolina Association of Nurse Anesthetists "AANA Update" Cherokee NC November 2018

Presentation to the Texas Association of Nurse Anesthetists "AANA Update" Galveston TX October 2018

Presentation at the Minnesota Association of Nurse Anesthetists, "AANA Update" Minneapolis MN September 2018

Presentation at Minnesota Association of Nurse Anesthetists, "A Review of Antiarrhythmic Therapy", Minneapolis MN September 2018

Presentation at Minnesota Association of Nurse Anesthetists, "Perianesthesia Management of Heart Failure" Minneapolis MN September 2018

Presentation at the American Association of Nurse Anesthetists MidYear Assembly "SRNAs Unplugged" Washington DC April 2018

Presentation at the Iowa Association of Nurse Anesthetists, "Fluid Responsiveness: Cultivate your Curves", Des Moines IA March 2018

Presentation at the Iowa Association of Nurse Anesthetists "An Evidence-based Approach to Preoperative Cardiac Assessment", Des Moines IA March 2018

Presentation at the Iowa Association of Nurse Anesthetists "AANA Update" Des Moines IA March 2018

Presentation at the Iowa Association of Nurse Anesthetists "Uppers and Downers of Cardiac Pharmacology", Des Moines IA March 2018

Presentation at the American Association of Nurse Anesthetists Assembly of School Faculty "Shaping the Future: Implementing Advocacy in Nurse Anesthesia Programs", Scottsdale AZ February 2018

Presentation at the Tennessee Association of Nurse Anesthetists, "AANA Update" Murfreesboro TN October 2017

Presentation at the Tennessee Association of Nurse Anesthetists, "Uppers and Downers of Cardiac Pharmacology", Murfreesboro TN October 2017

Presentation at the North Dakota Association of Nurse Anesthetists, "Perioperative Management of the Patient with Hepatobiliary Disease", Bismarck ND October 2017

Presentation at the North Dakota Association of Nurse Anesthetists, "Uppers and Downers of Cardiac Pharmacology", Bismarck ND October 2017

Presentation at the North Dakota Association of Nurse Anesthetists, "Anesthetic

Management of Aortic and Subaortic Stenosis” Bismarck ND October 2017

Presentation at the North Dakota Association of Nurse Anesthetists, “Perianesthesia Management of Heart Failure” Bismarck ND October 2017

Presentation to the Virginia Association of Nurse Anesthetists “AANA Update” Richmond VA October 2017

Presentation to the Virginia Association of Nurse Anesthetists “Enhanced Recovery after Surgery” Richmond VA October 2017

Presentation to the Georgia Association of Nurse Anesthetists “Fluid Responsiveness: Cultivate your Curves” Atlanta GA September 2017

Presentation to the Georgia Association of Nurse Anesthetists “Perianesthesia Management of Heart Failure” Atlanta GA September 2017

Presentation to the American Association of Nurse Anesthetists “Bringing it all Together: 365 Day Advocacy, Washington DC April 2017

Presentation at the North Dakota Association of Nurse Anesthetists, “An Evidence-based Approach to Preoperative Cardiac Assessment”, Fargo ND March 2017

Presentation at the North Dakota Association of Nurse Anesthetists, “Fluid Responsiveness: Cultivate your Curves”, Fargo ND March 2017

Presentation at the North Dakota Association of Nurse Anesthetists, “Enhanced Recovery after Surgery: Implications for Nurse Anesthetists”, Fargo ND March 2017

Presentation at the North Dakota Association of Nurse Anesthetists, “Show me the Evidence !”, Fargo ND March 2017

Presentation at the North Dakota Association of Nurse Anesthetists, “Healthcare Policy, Practice, and Patient Advocacy”, Fargo ND March 2017

Presentation at the Lower Alabama Continuing Education Seminar, ““Cardiac Anatomy and Physiology: All about Pipes and Pumps”, Orange Beach AL March 2017

Presentation to Lower Alabama Continuing Education Seminar, “Cardiac Pharmacology: Downers” Orange Beach AL March 2017

Presentation to Lower Alabama Continuing Education Seminar, “Cardiac Pharmacology: Uppers”, Orange Beach AL March 2017

Presentation at the Lower Alabama Continuing Education Seminar, “Perioperative Management of Heart Failure”, Orange Beach AL March 2017

Presentation at the Lower Alabama Continuing Education Seminar, “An Evidence-based Approach to Preoperative Cardiac Assessment”, Orange Beach AL March 2017

Presentation at Lower Alabama Continuing Education Seminar, "A Review of Antiarrhythmic Therapy", Orange Beach AL March 2017

Presentation at Focus Nurse Anesthesia Review, "Cardiac Anatomy and Physiology: All about Pipes and Pumps", Nashville TN November 2016

Presentation at Focus Nurse Anesthesia Review, "A Review of Antiarrhythmic Therapy", Nashville TN, November 2016

Presentation at Focus Nurse Anesthesia Review, "The Uppers and Downers of Cardiac Pharmacology", Nashville TN, November 2016

Presentation to North Carolina Association of Nurse Anesthetists, "Cardiac Pharmacology: Downers" Asheville NC November 2016

Presentation to North Carolina Association of Nurse Anesthetists, "Cardiac Pharmacology: Uppers", Asheville NC November 2016

Presentation at the New Jersey Association of Nurse Anesthetists, "Fluid Responsiveness: Cultivate your Curves", Atlantic City NJ. October 2016

Presentation at the New Jersey Association of Nurse Anesthetists, "Perioperative Management of Heart Failure", Atlantic City NJ. October 2016

Presentation at the North Carolina Association of Nurse Anesthetists Region 1 and 2 Meeting, "A Review of Antiarrhythmic Therapy", New Bern, NC. April 2016.

Presentation at the American Association of Nurse Anesthetists Fall Leadership Academy, "The FPD and the CRNA-PAC: Development, Deployment, and Do's and Don'ts" Chicago IL, November 2015.

Presentation at the South Dakota Association of Nurse Anesthetists, "Anesthetic Management of Aortic and Subaortic Stenosis", Sioux Falls, SD. October 2015

Presentation at the South Dakota Association of Nurse Anesthetists, "Evidence-based Approach to Preoperative Cardiac Assessment", Sioux Falls, SD. October 2015.

Presentation at the South Dakota Association of Nurse Anesthetists, "Update on Anti-Arrhythmic Therapy and Clinical Applications", Sioux Falls, SD. October 2015

Presentation at the Diversity in Nurse Anesthesia Mentoring Program: University of Tennessee- Chattanooga, March 2015

Presentation to Kentucky Association of Nurse Anesthetists: "Enhanced Recovery after Surgery: Implications for Nurse Anesthetists" Louisville, KY September 2014.

Presentation to Kentucky Association of Nurse Anesthetists: "Perianesthetic Management of Valvular Disorders", Louisville, KY September 2014.

Presentation to Tennessee Association of Nurse Anesthetists: "Enhanced Recovery after

Surgery: Implications for Nurse Anesthetists” June 2014

Presentation at the Charleston Anesthesia Conference: “Perianesthetic Management of Valvular Disorders”, Charleston SC, May 2013

Presentation at the American Association of Nurse Anesthetists Fall Leadership Academy: “Organizational Review: Lessons Learned from State Leaders” Miami FL, November 2013.

Presentation to the Oregon Association of Nurse Anesthetists: “Fluid Responsiveness: Cultivate your Curves”. Portland OR Nov. 2013

Presentation to the Oregon Association of Nurse Anesthetists: “Perioperative Management of Heart Failure” Portland OR, Nov 2013.

Presentation to the Minnesota Association of Nurse Anesthetists: “Perioperative Management of Heart Failure”. Minneapolis MN October 2013

Presentation to the Minnesota Association of Nurse Anesthetists: “Fluid Responsiveness: Cultivate your Curves” Minneapolis MN October 2013

Presentation to the South Carolina Association of Nurse Anesthetists: “The Clinical Doctorate: Past, Present, and Future” Charleston SC October 2013

Presentation to the Illinois Association of Nurse Anesthetists: “Perioperative Management of Heart Failure”. Carmel IN September 2013

Presentation to the Illinois Association of Nurse Anesthetists: “Fluid Responsiveness: Cultivate your Curves” Carmel IN September 2013

Presentation to the Charleston Anesthesia Conference: “Healthcare Policy and Patient Advocacy” Charleston SC May 2013

Presentation to the Association of Veteran’s Affairs Nurse Anesthetists “Perioperative Management of the Obese Patient”, Portland OR April 2013

Presentation to AANA Assembly of School Faculty: “Do we really need rural clinical sites?” Tucson AZ, February 2013

Presentation to the Indiana Association of Nurse Anesthetists: “Perioperative Management of Heart Failure” Carmel IN October 2012.

Presentation to the Indiana Association of Nurse Anesthetists: “Health Policy and Patient Advocacy” Carmel IN October 2012.

Presentation to the Indiana Association of Nurse Anesthetists: “Fluid Responsiveness: Cultivate your Curves” Carmel IN October 2012.

Presentation to the Kentucky Association of Nurse Anesthetists: “Fluid Responsiveness: Cultivate your Curves” Louisville KY September 2012.

Presentation to the Charleston Anesthesia Conference. "Perioperative Management of Heart Failure" Charleston SC May 2012.

Presentation to WIANA: "Perioperative Management of Heart Failure" Wisconsin Dells WI March 2012.

Presentation to the Wisconsin Association of Nurse Anesthetists (WIANA): "Fluid Responsiveness: Cultivate your Curves" Wisconsin Dells WI March 2012

Presentation to the Charleston Anesthesia Conference: "Fluid Responsiveness and Goal Directed Therapy" Charleston SC May 2011

Presentation to the American Association of Nurse Anesthetists Assembly of School Faculty: "Curricular Mapping: Cross walking the DNP Competencies with the AACN Essentials", Orlando FL, February 2011

Presentation to HCMC Anesthesia Department: "Goal Directed Fluid Therapy", Minneapolis MN, September 2010.

Presentation to the Department of Veteran's Affairs Operating Room Nurses: "Application of Evidence Based Practice in the Operating Room", Minneapolis MN, February 2010.

Presentation to Hennepin County Medical Center (HCMC) Nurse Leadership Committee: "The Doctor of Nursing Practice", Minneapolis MN, May 2009

Presentation to the Anesthesia Department at the Minneapolis Veteran's Affairs Medical Center: "Surgical Management of Congestive Heart Failure: The ParaCor HeartNet". Minneapolis MN, October 2007

Presentation at the Association of Veteran's Affairs Nurse Anesthetists Annual Meeting: "Surgical Management of Congestive Heart Failure: The ParaCor HeartNet" Washington DC, April 2007

Presentation at the Joint Services Anesthesia Meeting: "Anesthetic Management of Aortic and Subaortic Stenosis". San Antonio, TX April 2006

Presentation at the American Association of Nurse Anesthetists Annual Meeting: "Bioterrorism: Are you Ready?" Seattle WA, August 2004

Presentation at the Joint Services Anesthesia Meeting: "BioWarfare: Civilian Preparedness". San Antonio TX, March 2004

Presentation to the Perioperative Nursing Department: "Medical Management of Biological Casualties". Minneapolis VA Medical Center, October 2002.

Presentation to the VAMC Anesthesiology Department: "Weapons of Mass Destruction: Biological Warfare" Minneapolis VA Medical Center, January 2002

Presentation of original research: "The efficacy of a priming dose technique with Cisatracurium in the elderly", Minneapolis VA Medical Center, June 1998.

Other Scholarly Activities

Provided testimony to the SC House of Representatives Medical, Military, Public, and Municipal Affairs Committee, Feb, 5th 2020 on “Removal of Physician Supervision of Certified Registered Nurse Anesthetists”

Provided testimony to the SC Senate Labor, Commerce, and Industry, Business and Commerce Subcommittee, January 23rd 2020, on “Clarifying the Academic Qualifications required for Certified Registered Nurse Anesthetists” to include entry level doctoral degrees

Certificate, Leadership in Academic Medicine Course, 2014-2015

Textbook Reviewer, Nagelhout and Plaus. Nurse Anesthesia (6th ed.).

Faculty Scholar, MUSC Presidential Scholars Program, 2014-2017

Reviewer for the American Association of Nurse Anesthetists (AANA) State of the Science Oral and Poster Presentations, 2015.

Provided testimony to the US House of Representatives Veteran’s Affairs Subcommittee on Health, May 22nd, 2008 on “The Human Resources Challenges of Recruitment and Retention in Veteran’s Affairs Medical Centers”

Professional and Community Service

Memberships

- American Association of Nurses
- American Association of Nurse Anesthetists
- South Carolina Association of Nurse Anesthetists
- American Nursing Association
- Sigma Theta Tau Nursing Honor Society
- AANA Foundation Friends for Life, inducted 2007
- MUSC Legacy Society, inducted 2014
- AANA PAC Diplomat Club, 2012-present
- AANA PAC Presidential Club since 2007-2012
- University of Minnesota Alumni Association Lifetime Member

Mentoring Experiences

Health Policy Mentor for University of Alabama, Birmingham Doctoral Student, 2016.

Community Mentor for University of Alabama, Birmingham Doctoral Student, 2013-2015. Dissertation accepted for publication.

Community Mentor for Villanova Doctoral Student, 2011-2013. Dissertation submitted for publication. Accepted for AANA State of Science Oral and Poster Presentation, August 2014.

Presenter at the South Carolina Area Health Education Consortium Summer

Institute: 2011, 2012, 2013, 2014

AANA Mentorship Program, a program that pairs nurse anesthesia students with leaders in the nurse anesthesia profession, 2007-present.

University of Minnesota School of Nursing Alumni Mentor Program for senior nursing students interested in the field of nurse anesthesia

Mentor Connection, a program that pairs high school honors students with a mentor in the community
