

MUSC Office of Graduate Medical Education Verification Form

The Program Director and Program Coordinator below have ensured each resident interviewee has been informed of the MUSC Graduate Medical Education Resident Handbook, which contains the MUSC Resident Agreement and of its location online at:

<http://www.musc.edu/gme>

We have ensured each has received a copy of the USMLE Step 3 Policy and understood this policy went into effect July 1, 2006. We have personally verified those who may enter our program at a PGY-3 level or higher, have taken and passed the USMLE Step 3 Examination.

We provided information on our program's policy/practice concerning visa status and eligibility for appointment to our program.

The MUSC Office of Graduate Medical Education's Acknowledgment Forms have been completed, signed and dated by each of our resident interviewees and are on file within our department.
