

MUSC COLLEGE OF MEDICINE
STUDENT EVALUATION OF RESIDENTS' AND CLINICAL FACULTY'S TEACHING SKILLS

Resident/Faculty Member: _____ Department: _____
 Dates of Rotation: _____
 Location(s): _____

Directions: Please take a moment to assess the clinical faculty's teaching skills using this scale:

1=POOR 2=FAIR 3=VERY GOOD 4=EXCELLENT

Leadership

Provided an orientation to clarify expectations	1	2	3	4	N/A
Treated each team member in a respectful manner	1	2	3	4	N/A

Role Modeling

Demonstrated good "bedside manner" and positive interpersonal communication skills	1	2	3	4	N/A
Exhibited enthusiasm and interest in teaching students	1	2	3	4	N/A

Instruction and Feedback

Asked 'probing questions' to help me apply medical knowledge to solve problems	1	2	3	4	N/A
Shared his/her thought processes about patient care decisions, and reflected how he/she thinks and learns.	1	2	3	4	N/A
Observed the performance of my history-taking and physical exam skills and suggested specific ways to improve them.	1	2	3	4	N/A
Guided and directed me in making case presentations clear, well-organized, and concise.	1	2	3	4	N/A

Didactic (Classroom) Instruction

Gave well-organized presentations or facilitated discussions well and provided opportunities for questions and interaction	1	2	3	4	N/A
Stimulated me to be a more self-directed learner.	1	2	3	4	N/A

Evaluation

Provided ongoing instructive feedback, including areas for improvement.	1	2	3	4	N/A
Evaluated me in a "fair" manner	1	2	3	4	N/A

OVERALL, I WOULD RATE THIS FACULTY MEMBER'S CLINICAL TEACHING SKILLS AS

POOR

FAIR

VERY GOOD

EXCELLENT
